

Danish Border Fife Klubs Nordic Open Championship 2011.

After last year's disaster DBF finally came through and carried out the third Open Nordic Championship for Border and Fife Fancy 2011.

Terry Kelly had kindly agreed to make a second attempt in judging the prestigious show in Odense Denmark. Luckily Mother Nature did not intervene this year and the show was carried out in front of an excited audience.

Some fanciers from Germany had done the show the honor of driving six hours in order to participate in this spectacular show. This was highly appreciated.

A total of 220 entries were registered. Of those were 70 Borders and 170 Fifes. This was a sound improvement compared to last show.

Judge Terry Kelly made an excellent job in judging the show and kept the audience stunned for hours. His expertise and willingness to answer questions from the participants made him extremely treasured by both Danish and German fanciers. Afterwards the members and guests encouraged the board to repeat the show with the same judge in 2012.

Result of the show as follows:

Best flighted and unflighted Border: Frank Darling

Best flighted Fife: Harald Sell

Best unflighted Fife: Baechler/Vadder

Nordic Open Champion 2011 of Fife: Baechler/Vadder (2 winner Per Larsen)

Nordic Open Champion 2011 of Border: Frank Darling.

The show was supported with Rosettes from following:

East of England Border and Fife Fancy Club, The Border Convention, Fife Fancy Federation, Border Fife Club Deutschland, Colchester Bird Society, North Wales Fife Fancy Club.

Details of other results are available on the clubs HP: www.borderfife.dk

Date of next show will be 01 December 2012.
